WINDOWS DOORS HOME

Your Window & Door Proposal

UPVC windows • Doors • Installation

Prepared for:

Sample Customer

DEMO-001 | 2026-09-16

QUALITY
COMFORT
SECURITY
A BRIGHTER HOME

A HOME
FOR WHAT
MATTERS

A warmer, safer, more comfortable home

Replace four existing windows and three doors with made-to-measure UPVC products. This example combines a consistent finish with practical opening styles, glazing choices and a clear installation plan.

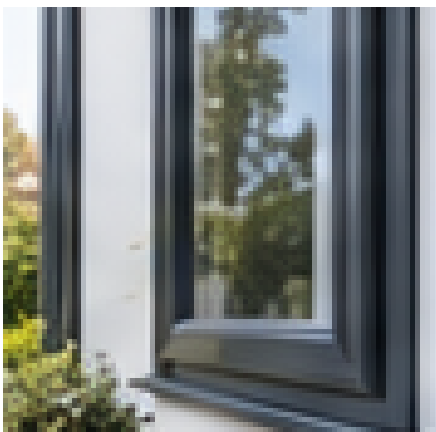

Improved
insulation

Greater security

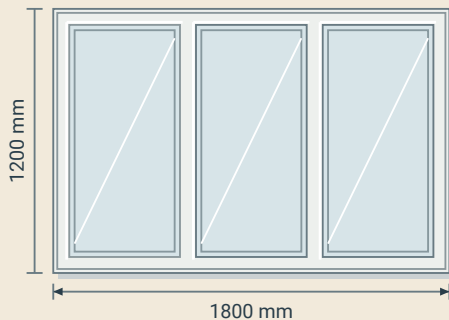

A home you will
love for years

1

Survey & final specification

Confirm measurements, frame finishes, opening directions, glass and access requirements.

Before ordering

2

Manufacture

Place the order after written approval of the final product schedule. Confirm an estimated delivery date.

Lead time to confirm

3

Pre-installation contact

Agree the installation date and explain how to prepare each room and maintain access.

Before the visit

4

Installation

Protect the work area, remove existing frames, fit the specified products and complete agreed making good.

Duration to confirm

5

Handover

Check operation together, explain care requirements and provide the agreed product and installation documents.

On completion

*A warmer, brighter
home, expertly
installed.*

Dates are provisional until agreed in writing. Survey findings, access and product availability may affect the programme.

**Review this proposal**

Review the product schedule, scope and quotation.

**Ask any questions**

Ask us to clarify or amend any details before accepting.

**Confirm and proceed**

Confirm the final surveyed specification and applicable terms in writing.

Ready for a brighter home?

We are here to help with your choices and answer any questions before you proceed.

Acceptance

I confirm that I have reviewed the listed products, scope, quotation and applicable terms. Any changes must be agreed in writing. Signing this demonstration does not place an order.

Customer name

Signature

Date

Warranty & aftercare

Insert the actual product and workmanship warranty details, including provider, duration, exclusions and claim contact. No warranty is represented by this sample.

DEMONSTRATION ONLY. Replace sample wording with your own applicable contract, payment, cancellation and warranty terms before sending a real proposal.
